Strands Alone.

Dr. Price's Cream Baking Powder is free from all substance detrimental to health. In these respects it stands alone. Who can tell how many invalids and tender children have fallen victims to the dangerous adulterations practised upon food? Obtain pure articles only.

Uncle Tom's Cabin.

A new song and chorus by John T. Rutledge. This beautiful song is found on Mrs. Harriet Beecher Stowe's popular novel, "Uncle Tom's Cabin." It is a very popular song; so pretty that every one falls in love with it as soon as they hear it. If you want a song that will always be a favorite, order "Uncle Tom's Cabin." Any music dealer will send it for 35 cents. Published by W. L. Thompson & Co., East Liverpool, Ohio.

Mabley has played the mischief with the gents' furnishing trade in Detroit. He does nearly all the business in that line.

The Truth.

In the whole United States there is not a flavoring extract that is so valuable, so positive, so effective in producing the most delicious, desirable, and delicate flavored cakes, pastries, ice cream, etc., as Dr. Price's justly celebrated Special Flavoring Extracts.

Few are aware of the importance of checking a common cold or cough in its first stages, before it has an opportunity to work upon the lungs to such an extent as to produce serious results. The best remedy for this checking, healing and curing that we know of is Adamson's Balm.

Price 35 and 75 cents.

It surprises every one in Detroit to see the immense trade business Mabley has built up in two years. Large stock and low prices have done it.

Delightful Bouquets.

Dr. Price's Concentrated Delight, Pet Rose, Hyacinth, Ailant Bouquet, Ladies' Favorite, and his other handkerchief perfumes, are truly delightful bouquets. They are certainly the most exquisite scents that can be imagined—the odors of dainty buds and rich blossoms.

Dr. Harris, physician of the Bay City Hospital, has arrived in town, and can be consulted at any time between this and next Sunday, March 30th, at the Alpena House. He treats all acute and chronic diseases, as well as those peculiar to females. Diseases of the eye, ear, and catarrh a specialty. Dr. Harris will make monthly visits along the shore, at the following places and dates, commencing with the month of April: Alabaster, the 18th; Tawas City, 19th and 20th; East Tawas, 21st and 22d; Au Sable, 23d and 24th; Oscoda, 25th and 26th; Greenbush, 27th and 28th; Harrisville, 29th and 30th; Alpena, May 1st and 2d; Black River, 3d and 4th; Alpena, 5th, 6th, 7th, 8th, 9th and 10th.

WANTED.

I want to let the job of clearing and plowing all the S W 1/4 of S W 1/4 of section 22, town 31 north, range 8 east, except the following, which I do not own, viz: Lots 1, 2, 3, 4, 5, 6, 12, 13 and 14, in block 1; Lots 1, 2, 3, 8, 9, 10, 13, 14, 15, 16 and 17, in block 2; Lots 12 and 13, in block 3; Lots 1 and 2, in block 10, and that part of Tuttle street lying between Eighth street and Washington avenue. All the brush, stumps and timber of every kind and description, whether down or standing, to be cut down and pulled up and burned clean, and all the land to be well plowed; it must be in all respects a good and perfect job. A plat of the land can be seen at the Register's office. Hand in your bids.

Geo. L. Maltz intends to commence work on his new brick block sometime during the month of May.

The steamer St. Paul arrived on her regular time Monday morning, and leaves for Detroit again to-day.

The business of shipping lumber opens well this season. The river seemed alive with vessels on Sunday.

The rains were reported much heavier back in the country last week than they were in this city.

Bewick, Comstock & Co. are constructing a new dock on the south side of the river, above the bridge.

The scow Lady Essex arrived in port Saturday night, bringing a cargo of wood pipe for the water works in this city.

Some sneak thief entered the vestibule of the Baptist Church on Sunday evening last and stole half a dozen umbrellas.

A dense fog prevailed in this section of the country last Saturday, and the mail boat Dunlap, was delayed at this port.

The Fletcher House is in splendid running order, and the prospects are quite fair for a season of good business at that institution.

The firm of Geo. L. Maltz & Co., bankers, has been dissolved, J. P. Whiting retiring, and the business will now be carried on by Geo. L. Maltz.

Geo. J. Robinson, who has resided at Oshtoke for a number of years, last week removed to comfortable quarters on Third street, in this city.

Chas. Brand is making all preparation for the erection of his new brick building on Chisholm street, which is to be occupied by J. E. Denton, as a livery stable.

Wm. O'Connor, of Lansing, who has the contract for constructing the Alpena and Duncan State Road, is in town, and now has a gang of men at work on the road about six miles out of this city.

Those of our citizens and farmers who purchased trees, etc. of the agent of the Battle Creek nursery, should bear in mind that the trees will be delivered in this city on the 10th of May, without fail.

The Detroit Free Press says that the new fish tug, built for Fred Lincoln of this city, was taken from the shop where it was built, at Detroit, preparatory to being launched. It is to be called the Lorraine.

During the past week a large number of vessels has arrived in this port for lumber, and on Sunday there were fourteen of these crafts, which gave a business appearance to the harbor, and gladdened the hearts of all the people hereabouts.

On Saturday last, while breaking a railway, on Turtle Creek, for C. W. Richardson, Dan C. McDougall had his foot and leg badly smashed. He was brought to town Sunday, and although the injuries are very serious, Dr. Shelton thinks that the foot can be saved.

George W. Burt, better known in this city as George Fox, the jeweler, has been on trial at Howell, for the murder of Martin Van Eter, at Fowlerville, eleven years ago, has been found guilty of murder in the second degree. He was to receive his sentence yesterday.

On Wednesday last a workman named John Smegilski, employed at the mill of H. D. Churchill, had his right hand and arm badly lacerated, by the slab saw breaking and the pieces striking him with terrific force. Dr. Shelton found it necessary to amputate the thumb.

We understand that a new bakery is soon to be started in this city, by a Mr. Demon, from Lexington. He is expected to arrive in town this week, and will for the present do his baking at the Carter oven, and occupy the room next to Hueber's meat market, for a sales-room.

A third ward man recently became so enraged because his wife purchased such a useless article as a table cloth, that he took the article out of doors and destroyed it by the means of cremation. Wonder if Alpena has got to furnish another inmate for the asylum at Kalamazoo?

The anniversary hop of the Odd Fellows, at Alpine Hall, on Friday evening last, was largely attended, and proved a very social gathering. Quite a number of the members of Alpena and Harrisville Lodges were present, and took part in the ceremonies of the day, which were held at Odd Fellows' Hall.

The scow Alvina is discharging her cargo of brick at the dock of W. H. Johnson, next to the bridge. The brick are to be used by Johnson and Fletcher, in the construction of a brick block of four stores, at the corner of Water and Second streets, the work on which will be commenced next week.

On Sunday evening the residence of David Plough, on River street, took fire, supposed from a defective chimney, and was considerably damaged before the flames were extinguished. The fire department was out promptly, and did their work nobly. The building and furniture was damaged probably about \$400; fully insured.

The New York Comedy Company will make their first appearance in this city at Alpine Hall to-morrow evening, and will open with the celebrated play, "Champagne and Oysters." This troupe is said to be a good one and drawing large houses. The Detroit papers speak of them in the highest terms. They will remain in this city one week.

Reports from the drive are of the most encouraging character. Every stream where there has been lumbering done the past winter is now well supplied with water, and the logs are all coming down as rapidly as could be desired. Even on Bean Creek and the North Branch, the drive is progressing finely and there is not the slightest doubt that all the logs will come down in good shape.

When we compare our prices for work with those of other towns in the country, we find that if the business men of Bay City, Saginaw, Detroit, and other small towns in the State, would send their orders for job printing to the Angus office, they would not only save money, but they would also have the satisfaction of having their work done in a neat and tasty manner. Send in your orders.

We are pleased to state that the bill appropriating lands for the construction of the Wilson State road, has been passed, and that the time is not far in the future when a good road will be constructed from this

city to the very western extremity of the county, through the township of Wilson. Thus it is that our county is being improved, and at the rate farming is increasing, the community will soon be self-sustaining.

The entertainment at Alpine Hall, on Wednesday evening last, was well attended, and proved a success generally. Although some of the actors were laboring under the difficulties of severe colds, they played their parts in a very able manner, and are deserving of much praise. Owing to the severe illness of Mrs. Maiden, who took one of the most important parts in the entertainment, it was found unavoidably necessary to refrain from giving the play on Thursday evening.

Marine.

Mr. Sellick furnishes us with the following list of vessels as having arrived or departed during the past week:

ARRIVALS.

Barges—Sweepstakes, Fulton, Wyandotte, Yosemite, Roberts, Genesee, King and Swallow. Schooners—Seaman, Quimby, Grover and Rice. Scows—Lady Essex, Alvina, Aunt Ruth and Garibaldi.

DEPARTURES.

Barges—Sweepstakes, Fulton, Wyandotte and Genesee, all lumber for Cleveland; Yosemite, lumber for Sandusky; Scow, Aunt Ruth, cedar for Cleveland; Schooners, Peerpoint and Quimby, lumber for Sandusky.

On Wednesday evening last a fire originated from the chimney in the barber shop of Henry Gansman, and running up the wall to the roof, soon communicated to the store building of Bewick, Comstock & Co., occupied by themselves and Paul Dane & Co., boot and shoe dealers. The engines were soon out, and notwithstanding the buildings were very dry, the firemen did speedy work by extinguishing the flames before they were able to devour up the buildings. The building in which the barber shop is located was damaged about \$75, while that of Bewick, Comstock & Co., was damaged about \$300. Goods belonging to Paul Dane & Co. suffered damage by water and removal to the amount of about \$300, while the goods of Bewick, Comstock & Co. were damaged to the amount of \$200. Insured.

The McGibeny Family.

This remarkable family of musicians, consisting of father, mother and seven children, have been making a successful tour of Michigan for the past few months, and will pay Alpena a visit Thursday, Friday and Saturday, May 8th, 9th and 10th, coming under the auspices of the Alpena Guards Band, to aid them in securing their uniforms. The house should be filled each evening, as the company is not only fine, but the object a worthy one. Below we give a few notices from Michigan papers regarding them:

Over twelve hundred people attended the concert given by the wonderful McGibeny family last evening.—Kalamazoo Telegraph.

The McGibeny family concerts are just immense, and the family itself the most remarkable of any in America.—Cairo Advertiser.

The wonderful McGibeny family gave their last concert in this city last night at Brewer Hall, making eight in number since they came, and they go from us bearing the best wishes of our people for their success. Their concert at the M. E. Church Friday evening was a financial success for that society. Three more churches have engaged them for next week—Cairo, Salina and Bay City.—Saginaw Courier.
